ABOUT THE ORGANIZATION

Who We Are Nationally

Delta Sigma Theta Sorority, Inc. is a private, non-profit organization whose purpose is to provide assistance and support through established programs in local communities throughout the world. The sorority currently has over 1,000 collegiate and alumnae chapters located in the United States, Canada, Japan (Tokyo and Okinawa), Germany, the Virgin Islands, Bermuda, the Bahamas, Jamaica, West Africa, Southern Africa, United Arab Emirates, the Republic of Korea, and the United Kingdom. The major programs of the Sorority are based upon the organization's Five-Point Programmatic Thrust:

- o Economic Development
- o Educational Development
- o International Awareness and Involvement
- o Physical and Mental Health
- o Political Awareness and Involvement

The Sorority was founded in 1913 by 22 collegiate women at Howard University to promote academic excellence and provide assistance to those in need. The Founders of Delta Sigma Theta Sorority envisioned an organization committed to sisterhood, scholarship, service and addressing the social issues of the time. Since its founding, Delta Sigma Theta has become one of the preeminent service-based sororities with more than 350,000 initiated members.

As a sisterhood comprised primarily of Black, college-educated women, the Sorority seriously considers the issues impacting the Black community and boldly confronts the challenges of African Americans and hence, all Americans. Over the years, a wide range of programs addressing education, health, international development, and the strengthening of African American families have evolved.

Who We Are Locally

The Orange County (FL) Alumnae Chapter (OCAC) of Delta Sigma Theta Sorority, Inc. was chartered on May 28, 1983. With a desire to revitalize Delta's Five-Point Programmatic Thrust, the women of Orange County (FL) Alumnae Chapter use their organizational skills and education to enhance the civic and social development of the residents within Orange and Osceola counties. Since its inception, OCAC has remained committed to stellar service and delivery of award-winning public service programming that has resulted in more than \$183,000 in awarded scholarships and incentives to graduating students, programming services for at-risk students, programming enabling community members to have access to tools and services that provide them with financial freedom, as well as resources to improve their physical and mental health. Social ACTION is at the core of what we do. It is WHO we are.

ABOUT THE ESTEAM COMMUNITY FOUNDATION

The ESTEAM (Empowering, Social Change through Technology, Education, Arts and Mentoring) Community Foundation, Inc., a non-profit organization under Section 501 (c) (3) of the Internal Revenue Code, was organized in April 2016 to support charitable educational, cultural, technological, economical and scientific development programs. We are working in partnership with Orange County (FL) Alumnae Chapter (OCAC) of Delta Sigma Theta Sorority, Inc. to make a difference and positively impact our community by providing funds to support our initiatives and scholarships within the Central Florida area.

ABOUT THE EMINENCE GALA

The 17th Annual Eminence Gala will be held on **Saturday, March 30, 2024.**

Since March of 2006, the Orange County (FL) Alumnae Chapter of Delta Sigma Theta Sorority, Inc. has produced the Eminence Gala to showcase youth from all over Central Florida. This program focuses on incentive awards while introducing the honorees to society, exposing them to workshop training in the areas of economic development, educational development, international awareness and involvement, physical and mental health, and political awareness and involvement.

Young high school juniors and seniors - male and female - have participated in this education-focused program, which encourages and supports academic achievement, while providing a life changing experience in areas such as etiquette, professional development, financial management, college preparation and tours, and physical and mental health awareness. By recognizing high achieving junior and senior students for outstanding scholastics, extracurricular involvement, and participation in community service endeavors, we have successfully provided approximately \$183,750 in support of continued education.

ABOUT THE STATEMENT OF NEED

Delta Sigma Theta's purpose is to provide services and programs to the community that will promote human welfare. Thanks to individual contributions and long-term corporate partnerships, we are able to help individuals and families throughout the Greater Orlando area.

By supporting the Eminence Gala, you can help your community increase the number of high school seniors who can attend a public or private college or university nationwide. Each participant is selected based on criteria which includes participation in each developmental segment, school G.P.A., community service, and future aspirations. Applications for the Eminence Gala were accepted through mid-December with developmental sessions beginning in January. Students who live in the Central Florida area were eligible to apply.
